

## 2UE, 3MMM take top honours

The 1991 radio industry awards, The Rawards, were presented in Sydney at the Darling Harbour Convention Centre, with over 500 industry executives and partners attending the awards night. For the first time The Rawards were held in conjunction with the annual radio get-together, the FARB Convention. 2UE and 3MMM topped the list of winners in the metropolitan section, with five and four awards respectively (see charts at right). In the provincial section, 4CA, 4SEA-FM and 2CC came out on top, while among the country stations 5SE and 2BS led from 2EC. Organisers commented after the judging that there were many more entries this year, and as a result the winners have been spread across a larger number of stations. The winners and finalists are listed below and on following pages.

### METROPOLITAN

Station	Winners	Finalists
2UE	5	4
3MMM	4	5

# Only Ansett Frequent Flyers can earn Awards without ever leaving the ground.

As an Ansett Frequent Flyer, you'll earn points every time you fly Ansett Australia, or our partner airlines.

There's also points to be gained when you stay at any of our participating hotels.

Yet, unlike our competitors, we leave you free to book direct with Parkroyal, Hyatt, Travelodge or Centra hotels and even award you points for expenses, like hotel dinners, phone calls and laundry.

You'll earn more points every time you hire an Avis car.

And every time you use your Diners Club card for any purchase at all.

This quick and easy means of earning points is

exclusive to Ansett Frequent Flyers.

(When you consider just how often you can use your Diners Club card on a typical business trip or holiday, the points really start adding up.)

It costs just \$30 to join.

So call 008 028 811 now for your instant Ansett Frequent Flyer membership number.

Then, use the temporary card in this ad to begin collecting your points.

You'll find it isn't long before you're also collecting awards.

Even if your feet never leave the ground.

## Ansett Frequent Flyer.
