Description of Category

This category is for all the new non-executive off-air people who have had no more than 2 years commercial radio experience. They can be from any area of radio station operations – sales, production, creative, promotions, administration, technical (previous winners are ineligible). No self-nominations will be accepted, must be nominated by a General Manager or immediate Senior Executive.

The special entry questions are to assist the judges in comparing similar information about candidates, who must provide a CV (to verify experience) and a supporting letter from your General Manager or immediate Senior Executive, attesting to your efficiency in job performance, standard of ability, work attitude, potential and any special talents and how this impacts on the overall performance of the station.

In the Country division candidates with some on-air work are eligible but only on the basis that the on-air component comprises a minor part (eg. 1 shift per week) of their duties.

This category is for individuals only.
