

## **25. BEST STATION SALES ACHIEVEMENT**

JUDGING PERIOD - 1 JANUARY 2016 - 31 DECEMBER 2016

ENTRIES CLOSE 19 MAY 2017

### **Description of Category:**

This category looks at the overall sales performance of a station's sales team and will be judged on the following criteria within the judging period (1 January 2016 - 31 December 2016). Please note all revenue figures supplied will be treated with confidence and provided to the CEO of Commercial Radio Australia and the auditor only.

Stations under three years old are ineligible to enter this category.

#### **Metropolitan Entries:**

Winners will be based on the average Deloittes share of revenue for the year divided by the average GfK audience survey results for the year. This dollars/audience share ratio will be corrected to take account of the number of stations in the market so that stations in any metro market face an equal challenge. Entrants can either provide the ratio workings, or if it's against company policy, the company auditor must sign off on overall ratio.

#### Non-Metropolitan Entries:

Winners will be awarded based on the following criteria:

- 1. Percentage advertising revenue growth year on year in the judging period.
- 2. Percentage advertising revenue growth over 3 years.

Budgets achieved by frequency/value add programs and 'non-traditional revenue' are excluded from this category. (ie contras, websites, outside promotional activities, production dollars, sponsorship and any other non-spot revenue).

Provide other supporting information you feel is relevant to your entry. Keep the material concise and to a maximum of 2 pages.
