

ACRA AWARD HALL OF FAME

All entries must be submitted online at <http://entry.acras.com.au>. THIS DOCUMENT IS A GUIDE ONLY.

Description of Category

The Hall of Fame recognises those who have made a significant contribution to the Commercial Radio Industry in Australia.

Nominations for induction to the Hall of Fame must meet the following criteria:

- demonstrate a quantifiable contribution either on-air or off-air (or both) to the commercial radio industry over a reasonable period of time, eg. in excess of 10 years;
- include evidence of contribution for this period – a lengthy period of employment in the industry is not sufficient, on its own, for induction into the Hall of Fame.

Self-nominations will NOT be accepted.

In all cases, the nominations will be confidential and nominees will NOT be informed by Commercial Radio Australia of their nominations.

In a 100-word overview, please indicate why your nominee should be considered for induction to the Commercial Radio Hall of Fame and attach detailed evidence of outstanding contribution to the industry. You should also attach up to three pages of supporting evidence of contributions.
