BEST AGENCY SALESPERSON

CRITERIA EIGIBILITY - JUDGING PERIOD: 1 JAN 2022 – 31 DEC 2022 ENTRIES CLOSE FRIDAY 7 JULY 2023

All entries must be submitted online at http://entry.acras.com.au. THIS DOCUMENT IS A GUIDE ONLY.

Description of Category

This category encourages excellence and achievement in overall sales performance of an individual agency salesperson and will be judged on the following criteria covering the judging period (1 January 2022–31 December 2022). Please note all information supplied is treated with strictest confidence.

Agency salespersons must have been employed by the same organisation for the entire period of judging – a minimum of 12 months.

Criteria

- 1) Budget growth: The percentage and total dollar amount above budget you achieved in the judging period. This figure relates to your personal performance and has to reflect a budget previously agreed with your Manager.
- 2) Client growth: The percentage of total revenue that was new business (not advertised for 12 months prior to the judging period).

The award will be judged primarily on criterion 1. However, each entry will be weighted taking into account, criterion 2 & Service of Excellence (Measured by senior market feedback or agency awards). So, to be over budget is excellent, but to be over budget and to have achieved that by gaining new business for the radio sector is advantageous.

Provide other supporting information you feel is relevant to your entry. Keep material concise and to a maximum of 2 pages which may include a client testimonial, new business achievements or other relevant information. Both Financial Controller and General Manager must approve your entry to verify all figures provided.
